Use Video System

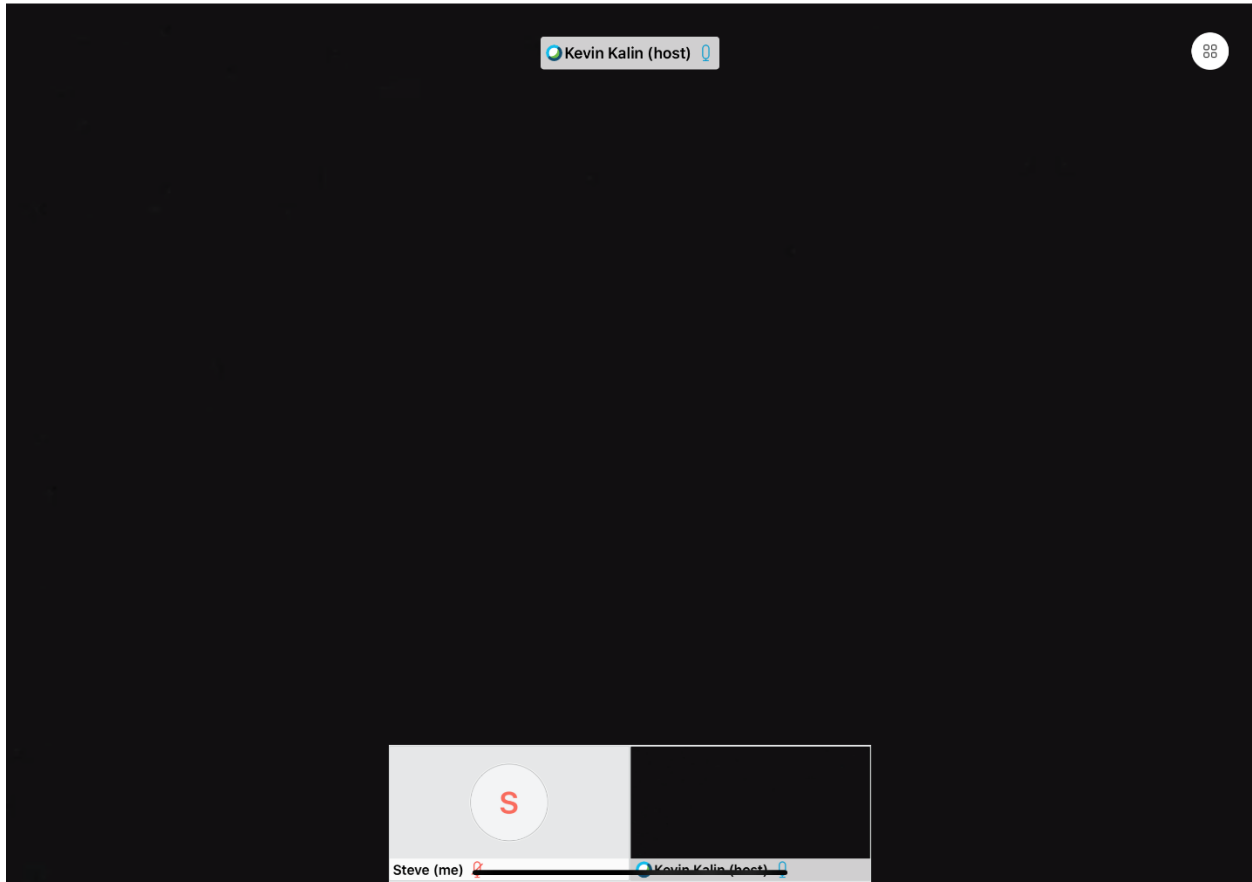

Use Internet for audio

Tap Join again.

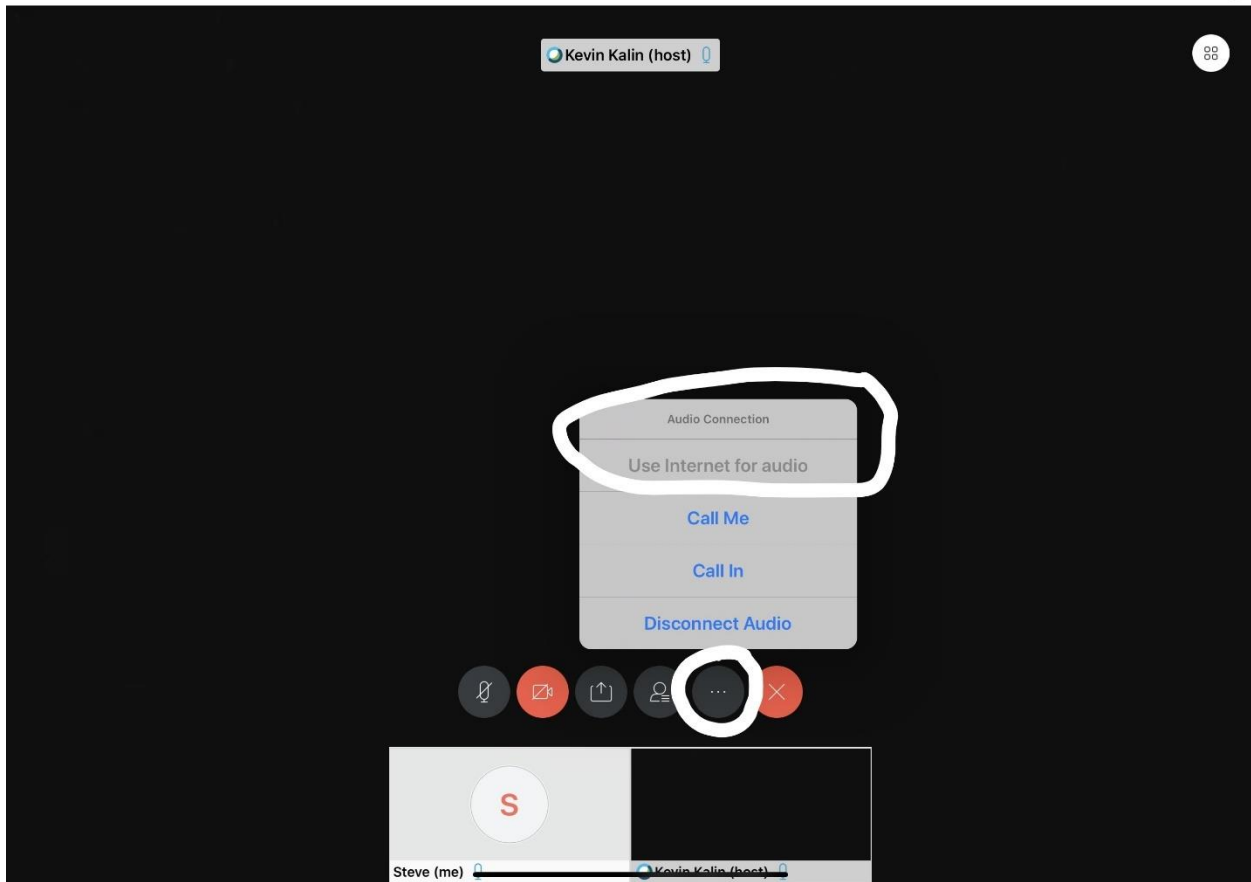

Tap OK in blue box.

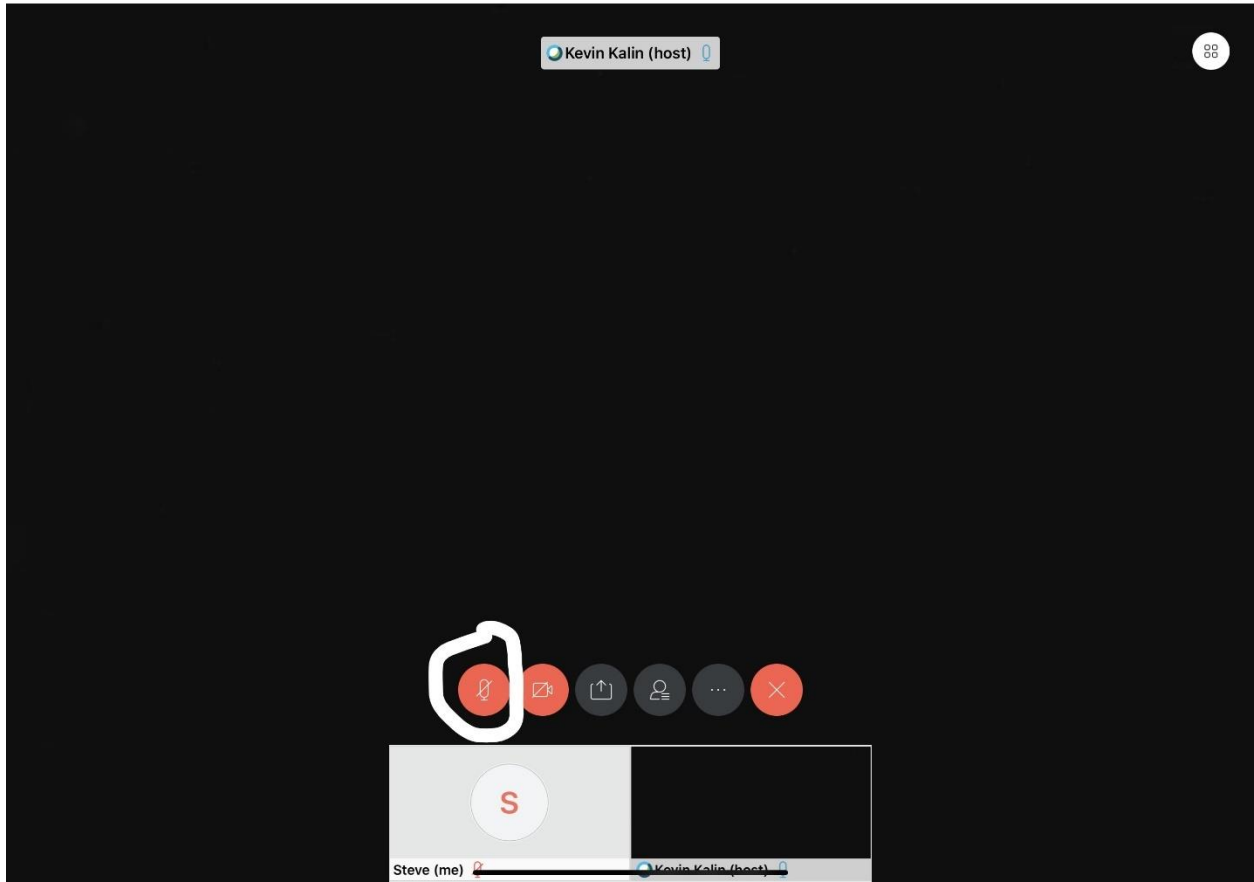

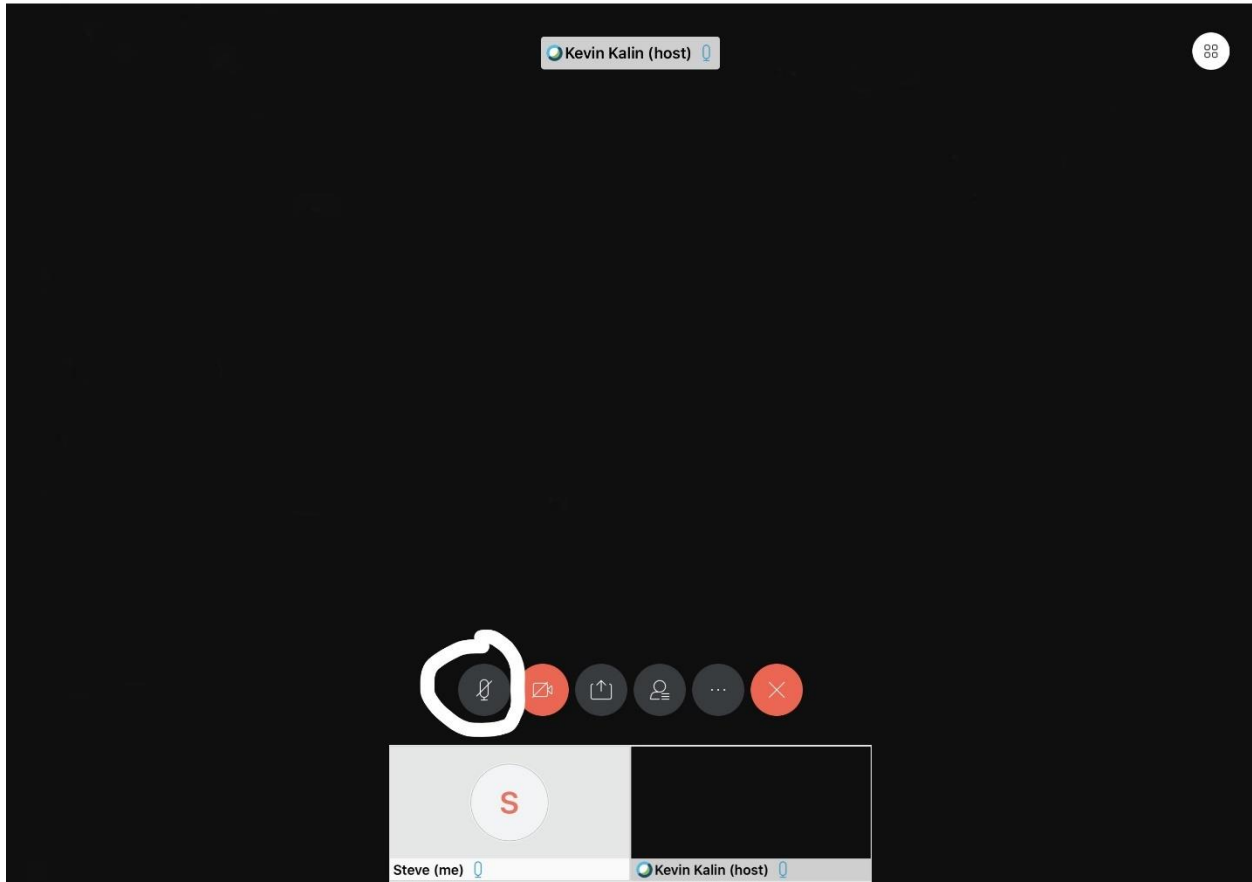

Tap anywhere outside of the boxes on the bottom.

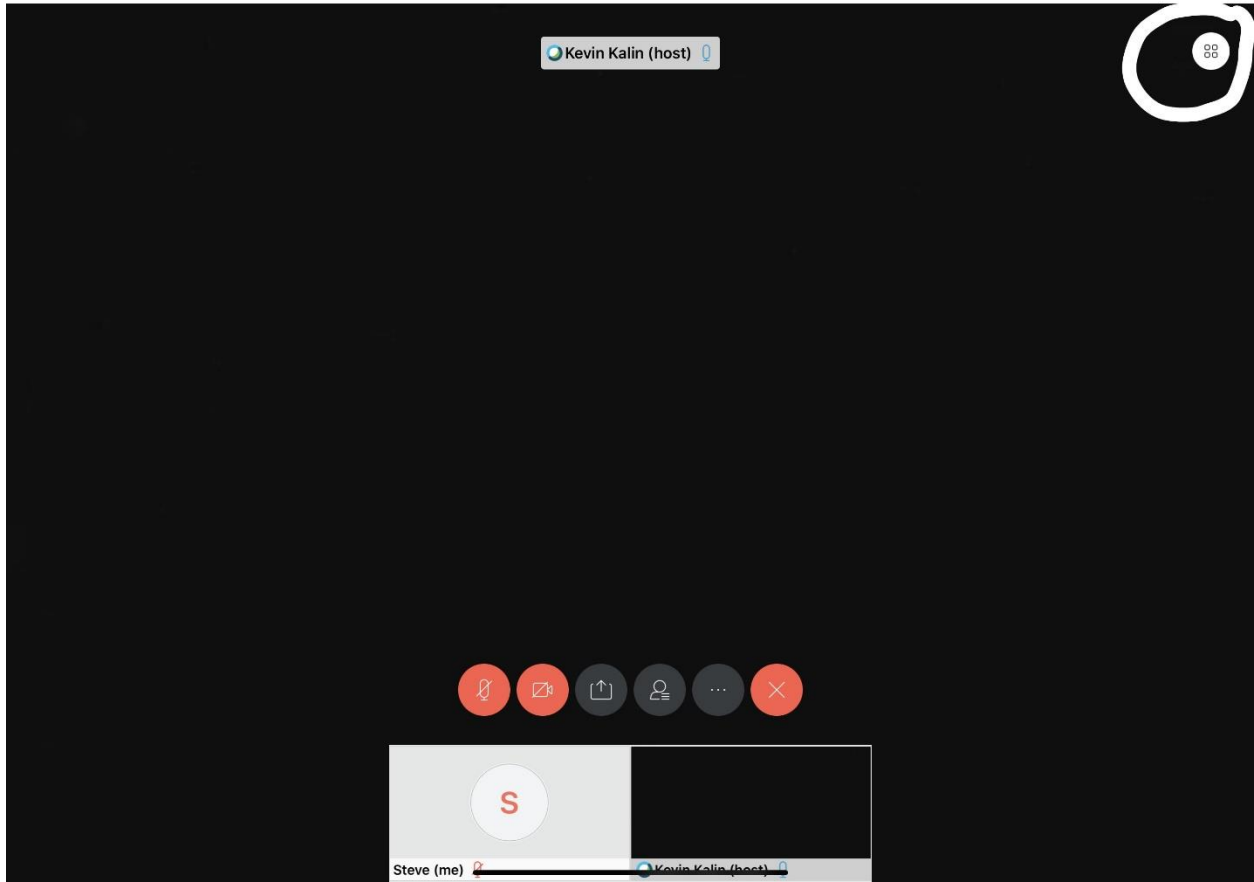

After tapping anywhere outside of the boxes at the bottom, you will see numerous icons appear. Tap on the 3 dot icon and make sure your Audio Connection is set to Use Internet for audio.

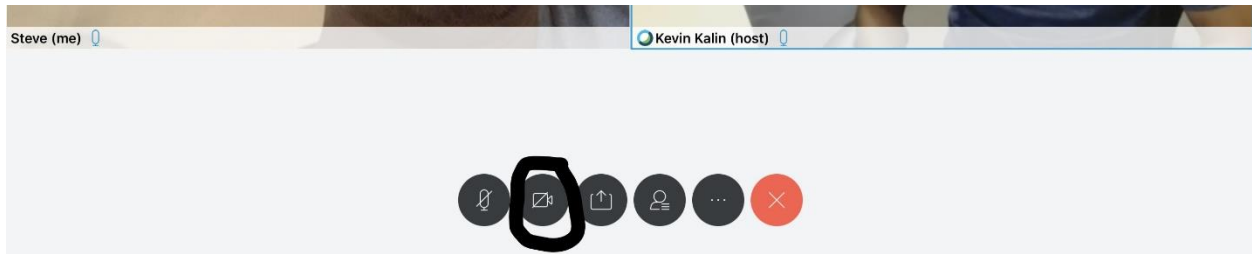

When you join, you are automatically muted and video is set to off. Tap on the microphone icon to unmute/mute yourself.

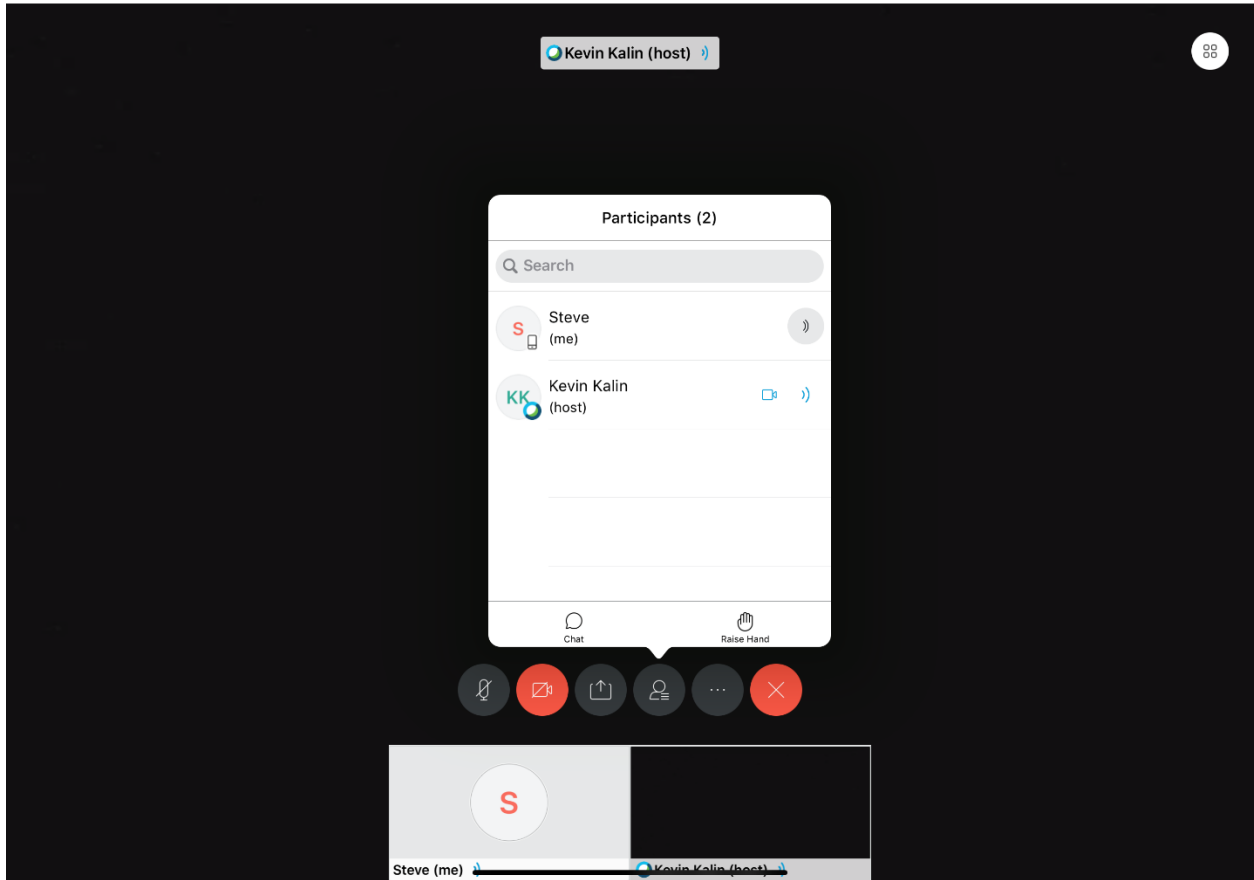

When the microphone icon is black, you are unmuted and can be heard.

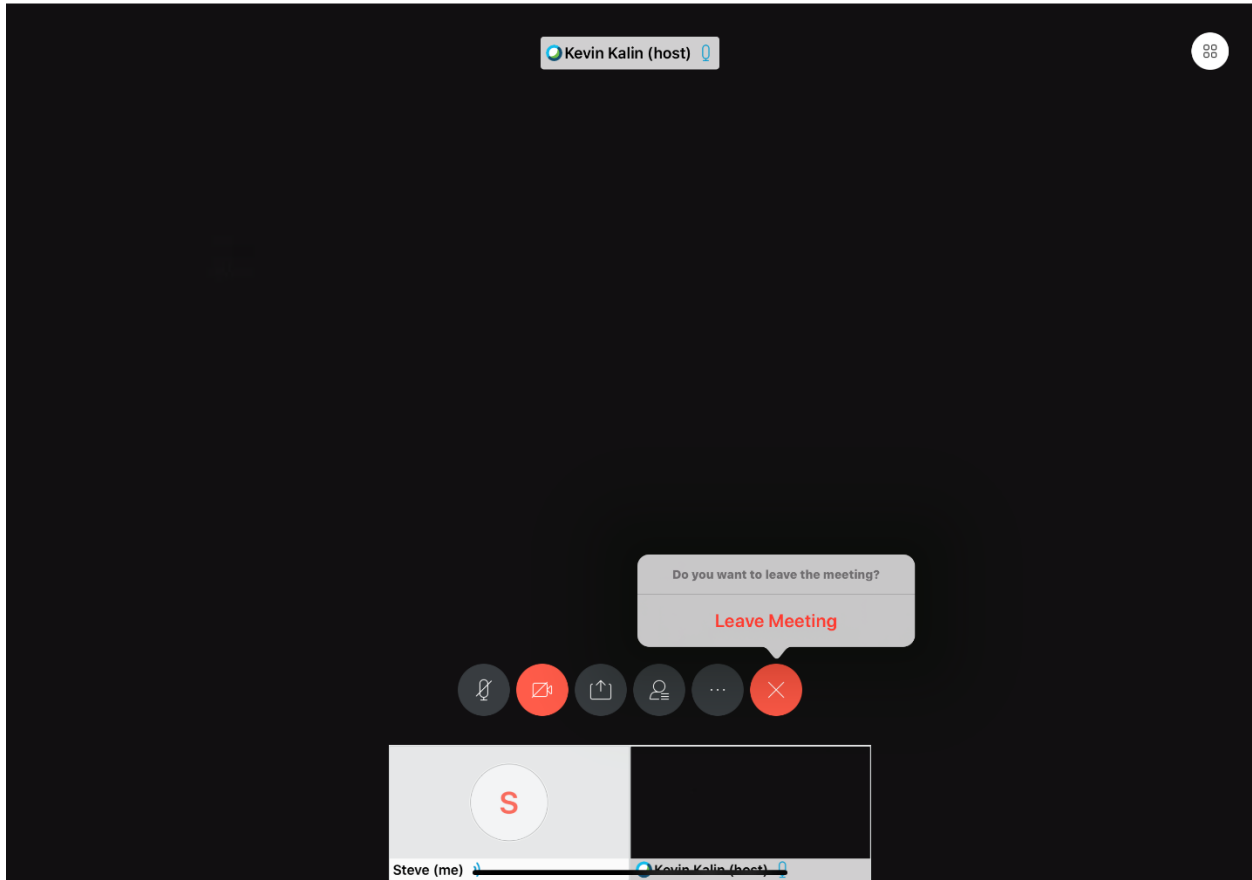

The four square icon just gives you different options to view your own screen.

Tap on the Video Camera icon to broadcast yourself to everyone. You might be asked to start your video, so just tap start your video.

Tap on the person icon and you will see a list of names that are in the meeting. Here you can type your public comment to everyone.

Once the meeting is over, tap on the red "X" and tap on leave meeting.
